

Export CSV data 2

```
execute ibeblock
as
begin
    ExportOptions = 'OmitCaptions;
                    QuoteStrings;
                    ExportTextBlobs;
                    DateTimeFormat="dd-mm-yyy hh:nn:ss";
                    DateFormat="dd-mmm-yyyy";
                    TimeFormat="hh:nn:ss";
                    CurrencyFormat="£0.00";
                    IntegerFormat="0";
                    FloatFormat="0.0000";
                    Delimiter=","';

    select * from clients order by cl_key as dataset MyDataset;
    ibec_ds_Export(MyDataset,__etCSV,'c:\TestExport.csv',ExportOptions);
    close dataset MyDataset;
end
```
