How to Install IBExpert Benchmark Tool

(1) Go to IBExpert products, services & prices and scroll down to the IBExpert Benchmark Tool. Click on Download here.

BExpert Benchmark Tool - Free special version	
empare your computer performance and test the speed of your Firebird Wind	ows server with the free IBExpert Benchmark Tool continu
Description	Price in Euros (EUR) net of sales tax/VAT
-	free of charge

(2) Inside File Explorer, go to Downloads and open up setup_benchmark.exe

(3) A User Account Control pop-up will appear asking if you want to let the application make changes to your device. Click on Yes

(4) A new IBExpert Setup window will pop up with the software's License Agreement. Click on I accept the agreement and click on Next.

(5) You do not need to change the Destination location of the benchmark tool. Click on Next

(6) You do not need to change the start menu folder name so you can click on Next. If you would not like to create a Start Menu folder, you can check the box next to "Don't create a Start Menu folder".

(7) If you would like to create a desktop shortcut for the software, you can check the box next to "Create a desktop shortcut". Click on Next

(8) Click on Install and wait for the setup to install the IBExpert benchmark tool on your system.

(9) The Setup Wizard is now done, you can click on Finish and the IBExpert Benchmark Tool will launch automatically.
